Block Party

Definition: A "Block Party" is a large public party in which many members of a single neighborhood congregate, either to observe an event of some importance or simply for mutual enjoyment. This often involves closing an entire city block or part of a street to vehicle traffic. Reasonable safety precautions must be taken by the applicant for the road closure. The roadway must be made passable to emergency vehicles should the need arise. The Warwick Police Traffic Division will survey the area and make the necessary recommendations prior to the event. No alcoholic beverages are allowed in the roadway and grills must remain on private property.
